PLAY THERAPY ISN'T JUST FOR KIDS IN THIS 3.0 HOUR TRAINING! ATTENDEES WILL LEARN TO APPLY NEUROBIOLOGICALLY APPROPRIATE TECHNIQUES TO A WIDE VARIETY OF CLIENT AGES, WHILE PARTICIPATING IN EXPERIENTIAL PLAY THERAPY. REVIEWING CREATIVE WAYS TO EXPAND THE USE OF PRESCRIPTIVE PLAY THERAPY TECHNIQUES TO CLIENTS OF ALL AGES.

Workshop Objectives:

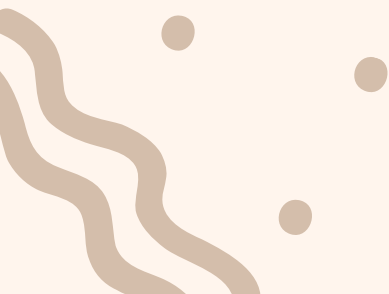

- Identify at least 10 developmentally and Neurobiologically appropriate therapy interventions that can be implemented into clinical practice for clients of all ages
 - Discuss how to choose a play therapy invention that is developmentally and neurobiologically appropriate for a client.
 - Explore research surrounding neurobiology and the importance of choosing developmentally and neurobiologically appropriate play therapy interventions from a variety of theoretical frameworks.

Cancellation / Refund Policy is located on training registration form
